

Country workshop

What to do

- ▶ Prepare a **workshop / presentation** for everyone in your country teams
- ▶ Each country has **up to 20 mins** – use your creativity for that!
- ▶ Must be **interactive, useful & fun!** PPT/Prezi presentations are allowed, yet discouraged. You can show videos, photos, present real life examples, act, sing, use drawings, etc.
- ▶ You must **involve all the participants** by giving them an interesting quiz, game, task test, discussion or whatever else you can think of!
- ▶ Country with the best workshop will get a special prize! 😊
- ▶ P.S. if you need any help, don't hesitate to ask us for some tips

Please don't make it booooring!

What is the topic?

How society sees rural life in your country?

**How it can be changed if it is negative perspective and if it's positive -
how can other countries learn from you?**

Don't forget about the creativity! interactive play; video; picture stories. These are just a couple of unique ways of presentation:)
