Pub quiz

- Check the pub quiz here: <https://goo.gl/cExZRe>
- Adapt it: any dates/facts/locations to be updated? Are all the answers provided in the second part of the presentation?

SURVEY

- A walking trip around Kaunas to assess its various cycling routes. The trip will also introduce the participants to the countryside. Afterwards, they will make a survey and create a cycling map for users in Kaunas.
- Think about the possible question to address to citizens, related to cycling and/or to their usage of the cycling routes in Kaunas, as well as their satisfaction of the service.

Cycling games for Kids

- A cycling event involving kids will be carried out by the participants. Participants, with the help of the organisers, will create games, that would be fun and interactive to the kids and gathered community.
- Think about few games to involve kids in sport and cycling during the event.
