Task

- ▶ Now, individually, take 10 mins for taking a look to the schedule. Try to think about the next questions:
 - ▶ What can be improved?
 - ▶ Which activities are necessary & which ones are not.
 - ▶ Is the duration of the activities adequated?
- ▶ After you present your results,
 - ▶ What other activities could be included?

Dissemination

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the left and right sides of the page, framing the central white space where the text is placed.

When and why

- ▶ Dissemination is essential for give our work to know by other people.
- ▶ It's important to do it not only after the project but also before and during it.

Dissemination

- ▶ Digital media sources will be actively used for reaching the target groups at all levels.
- ▶ Photo-wall with the project-created posters with eye-catching pro-social inclusion slogans/messages
- ▶ ‘Video-book’ of social actions/ flash-mobs performed in public
- ▶ All of the partner organizations will share ‘Video-book’ and blog-page along with photos and ideas of the project through their other international partnerships
- ▶ Partner organisations together with the participants will be invited to carry out follow-up actions in their respective countries

Task

- ▶ In groups, think about a dissemination strategy. It should include:
 - ▶ Where to share it
 - ▶ Who are the main target groups.
 - ▶ What kind of material is going to be used.
 - ▶ The timing of the dissemination.

You have 15 mins for it.
