

Aim: to build group cohesion

Description: Provide to the participants a list of missions they have to accomplish in 60 minutes, as a group. Each participant must be involved in the process.

- Create a motto of the Youth Exchanges
- Create the weather timetable for the whole week that can be adjustable according to the unpredictable weather conditions
- Create the logo of the project
- Create the calendar with birthdays from the whole group
- Write Hello and thank you in the all languages spoken by the participants
- Discover the legend of Kaunas
- Find out 3 traditional dishes of this region
- Propose minimum 10 examples of funny evening activities that can be actually implemented
- What are the main attractions of Kaunas during Spring?
- Create the map of Europe with all the countries involved in the training course and the cities where the participants were born
- Discover and create the list of all participants main hobbies
- Create the Anthem of the group about young people and you should involve everybody
