Mix & Meet

Get each person to grab some M&M's. Tell them not to eat them.

Assign a different meaning to each colour:

Blue = family

Green = school

Yellow = friends

Red = hobbies

Brown = music/movies

However many M&Ms they have in their hands, that is how many facts they have to tell. For example, if they have three blue, they would have to say three facts about their family.

This game can also be played with toilet paper. They rip off how much they would normally 'use', and then they have to say a fact about them per sheet of toilet paper they have.
